Contact Andrea Love at (206) 433-8760 or [loveal@hsd401.org](mailto:loveal@hsd401.org)

**New Start at Salmon Creek** is the unique partnership between Highline Public Schools and King County community programs, work training, and human services. Serving approximately 120 students, New Start provides students with a non-traditional opportunity to be successful in and connected to school. It does this by offering a variety of educational options and flexible schedules to fit all student lifestyles.

**The Library Project** was started a little over a year ago by a volunteer who had a vision of creating a library for this dynamic new school. Since its start, the library has grown to over 1000 books, still a very modest collection. New Start is in dire need of additional resources to truly move into the 21<sup>st</sup> Century and prepare our students for careers, college, and citizenship.

By purchasing merchandise at the West Seattle Barnes and Noble on January 29<sup>th</sup> you will be furthering the growth of an excellent educational resource for a school and population that is in great need.
