VOLUNTEER FOR A DAY OF CONSERVATION, SERVICE & ACTION!

Saturday, September 27th, 2008
8am to 6pm

THE WHITE CENTER
ENERGY FESTIVAL & PROSPERITY PROJECT

On this National Day of Action, 200+ volunteers will blanket the White Center Community and knock on over 7000 doors in an effort to educate residents on home energy efficiency, resource conservation…and how to **SAVE SOME MONEY** on their utility bills.

As a volunteer, you will:

☐ Rally at White Center Heights Elementary School, located at 10015 – 6th Ave., SW, Seattle, WA 98146, to start and end your 4-hr commitment to the cause.

☐ Give out **FREE** ecobags, containing compact florescent light bulbs, low-flow showerheads, tips on saving energy and a whole lot more.

☐ Make somebody's day by helping them win one a **FREE** home energy efficiency audit (valued at $500) to show them where their energy…and their hard earned **CASH**…is going.

☐ Help spread the word about **GREEN JOBS**, which are all the rage right now.

☐ Learn where you can get training as a solar panel installer or an energy efficiency auditor making beaucoup **GREEN** backs in as little as 5-weeks.

☐ Meet representatives from local colleges and trade schools that provide **GREEN JOB** training. Who knows, you might end up with **FREE** scholarship.

☐ Have a chance to explore our Eco Village, complete with a demonstration solar roof, **Green living** experts who can consult you on all sorts of **GREEN** and **CLEAN** energy conservation solutions.

☐ Get a limited edition **GOT GREEN** t-shirt, we'll feed ya', and set ya up with live entertainment.

☐ Experience dance, hear spoken word, groove to the sounds of **GLOBAL HEAT** and boogey to the often imitated, but never duplicated **DJ KUN LOVE**!
