One Fifth of Pakistan is underwater and 20 million people have been displaced by floods. With 10 million children in urgent need of humanitarian assistance, time is

of the essence in delivering lifesaving supplies. Poor and marginalized communities like the flood victims are on the front lines of mounting environmental challenges of climate change and deforestation. FOCUS Humanitarian Assistance (FOCUS) has been responding in Pakistan with search and rescue and evacuation as well as the distribution of food, relief goods and medical supplies. FOCUS has provides 15, 300 Pakistanis with food and has delivered over 350 metric tons of relief supplies. FOCUS has decades of experience in this region, but 50% of the progress made in community-based infrastructure as been destroyed by the catastrophic floods.

The Pakistan flood disaster is the largest humanitarian crisis the international community has ever faced. The Purpose of this fundraiser to raise funds for FOCUS. *There will be dance performances, food and henna painting. There is a suggested \$5 donation for adults. Please join us in this cause to help those in need...no matter their religion, color or class.*

**BE THE CHANGE YOU WANT TO SEE IN THE
WORLD.**
