And if you see breaking news, any time, please call/text WSB at 206-293-6302 - thank you!

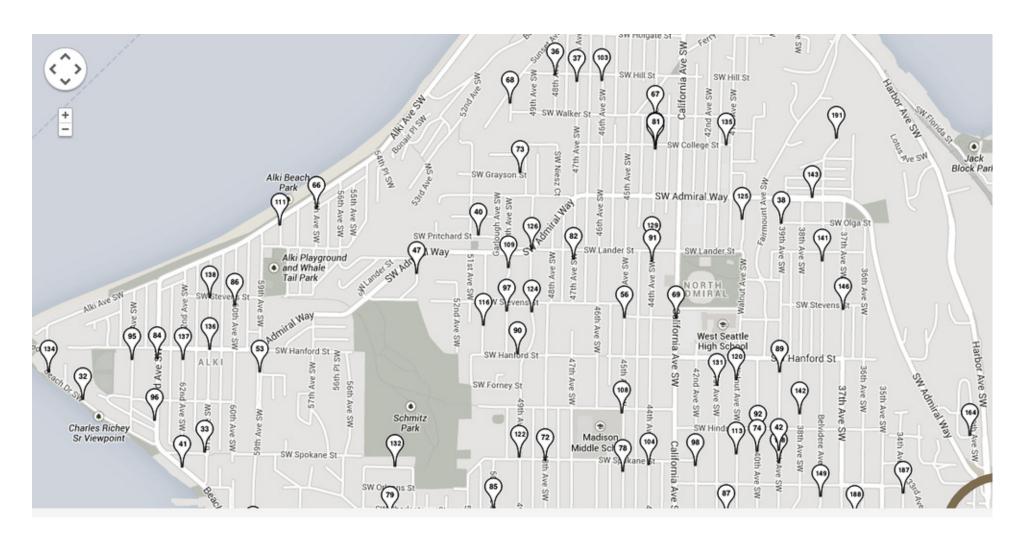

#1 - NORTHERNMOST SALES, DUWAMISH HEAD TO SW HOLGATE (see listings for exact addresses & sale descriptions) - some overlapping #'s on later pages (apologies, this is how they are rendered by the map software when sales are close together - please use the online version to zoom all the way in for separation; and please note, when we say "behind," we are just referring to the markers on these map sections, one marker behind another, NOT to the physical locations of close-by sales):

FUN FACT: #107 is our northernmost sale this year, at 1258 Alki Ave. SW. (See 7th-and-final map page for our southernmost sale!)

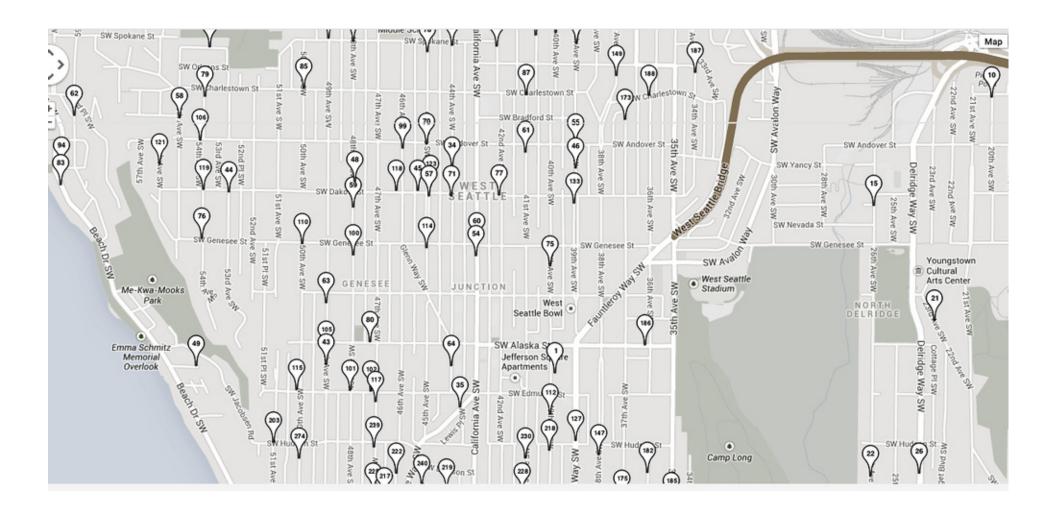

2nd MAP SECTION OF SALES, HOLGATE TO CHARLESTOWN (see listings for exact addresses & sale descriptions):

OVERLAPS: Markers for #50 and #51 are behind #81 ... sale #128's marker is behind #42 ... please explore/zoom in on the online map for closeup separation .. thank you!

#### 3rd MAP SECTION OF SALES, CHARLESTOWN TO HUDSON (see listing pages for exact addresses & sale descriptions)

Overlapping #'s on this section: Partly hidden by the marker for #217 is the marker for #225

4th SECTION OF SALES, DAWSON TO MYRTLE (see listings for exact addresses & sale descriptions) - some overlapping #'s because of close-together sales:

Marker for sale #197 is partly hiding #254 ... marker for sale #156 is hiding #145 ... between #223 and #255, #215 is somewhat hidden ... #260 is covering #198 ... #241 is hiding #237 ... #189 is hiding #158 ... #168 is hiding #190 AND #174... #17 would be just above the top edge of 16<sup>th</sup> SW on the upper right corner but got cut off

5th SECTION OF SALES, MYRTLE TO TRENTON (see listings for exact addresses & sale descriptions):

\*\*Again, please note that the marker placements are assigned by Google and are not necessarily exact - they're guidelines\*\*

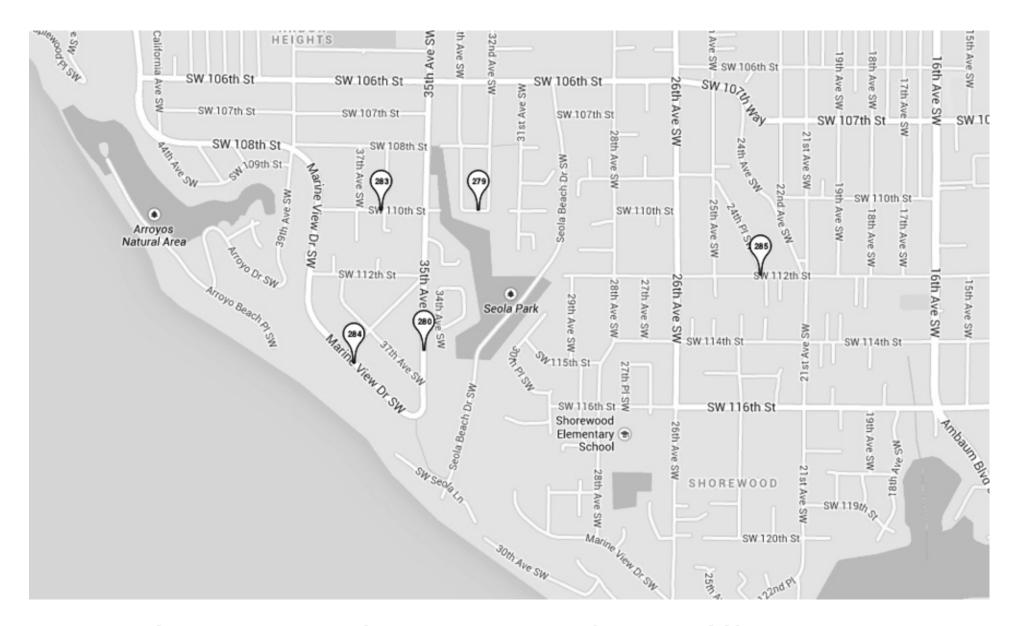

6th SECTION OF SALES, TRENTON TO 106th (see listings for exact addresses & sale descriptions):

<sup>\*\*</sup>Again, please note that the marker placements are assigned by Google and are not necessarily exact – they're guidelines\*\*

<sup>\*\*</sup>One overlap because of close-together sales: #184 is hiding #167\*\*

7th and final MAP SECTION OF SALES, 106th SOUTHWARD (refer to listing pages for exact addresses & sale descriptions): No overlaps. - P.S. Thanks to sale #284, 11441 Marine View Dr. SW, our southernmost sale this year – and thanks to EVERYONE!
