PUBLIC SAFETY & PUBLIC ART

7:00 pm Tuesday, February 10, 2015

For residents who follow the West Seattle Blog, recent posts include a number disturbing crimes West Seattle: a burglary while the resident was at home, several robberies of school children for their electronic devices, and the reemergence of a lewd flasher. We've invited Officer John Flores to explain to us what the Seattle Police are doing in response to these crimes and what steps we can take to keep our families and property safe.

We also invited a representative from Seattle Dept. of Transportation to discuss the options for including public art in the design and construction of the pedestrian safety improvements in the 47th Ave SW and SW Admiral project.

The ANA meets at **The Sanctuary at Admiral**, at 2656 42nd Ave SW. Our monthly meetings are held the 2nd Tuesday of each month at 7:00 pm. Everyone is welcome to attend.

The Admiral Neighborhood Association is comprised of residents, business people and others who care about the environmental, economic, social sustainability of our Admiral neighborhood. We believe in maintaining the quality of life we have come to enjoy and exist to serve our neighbors and community.
