1st MAP SECTION - NORTHERNMOST SALES, DUWAMISH HEAD TO SW HANFORD

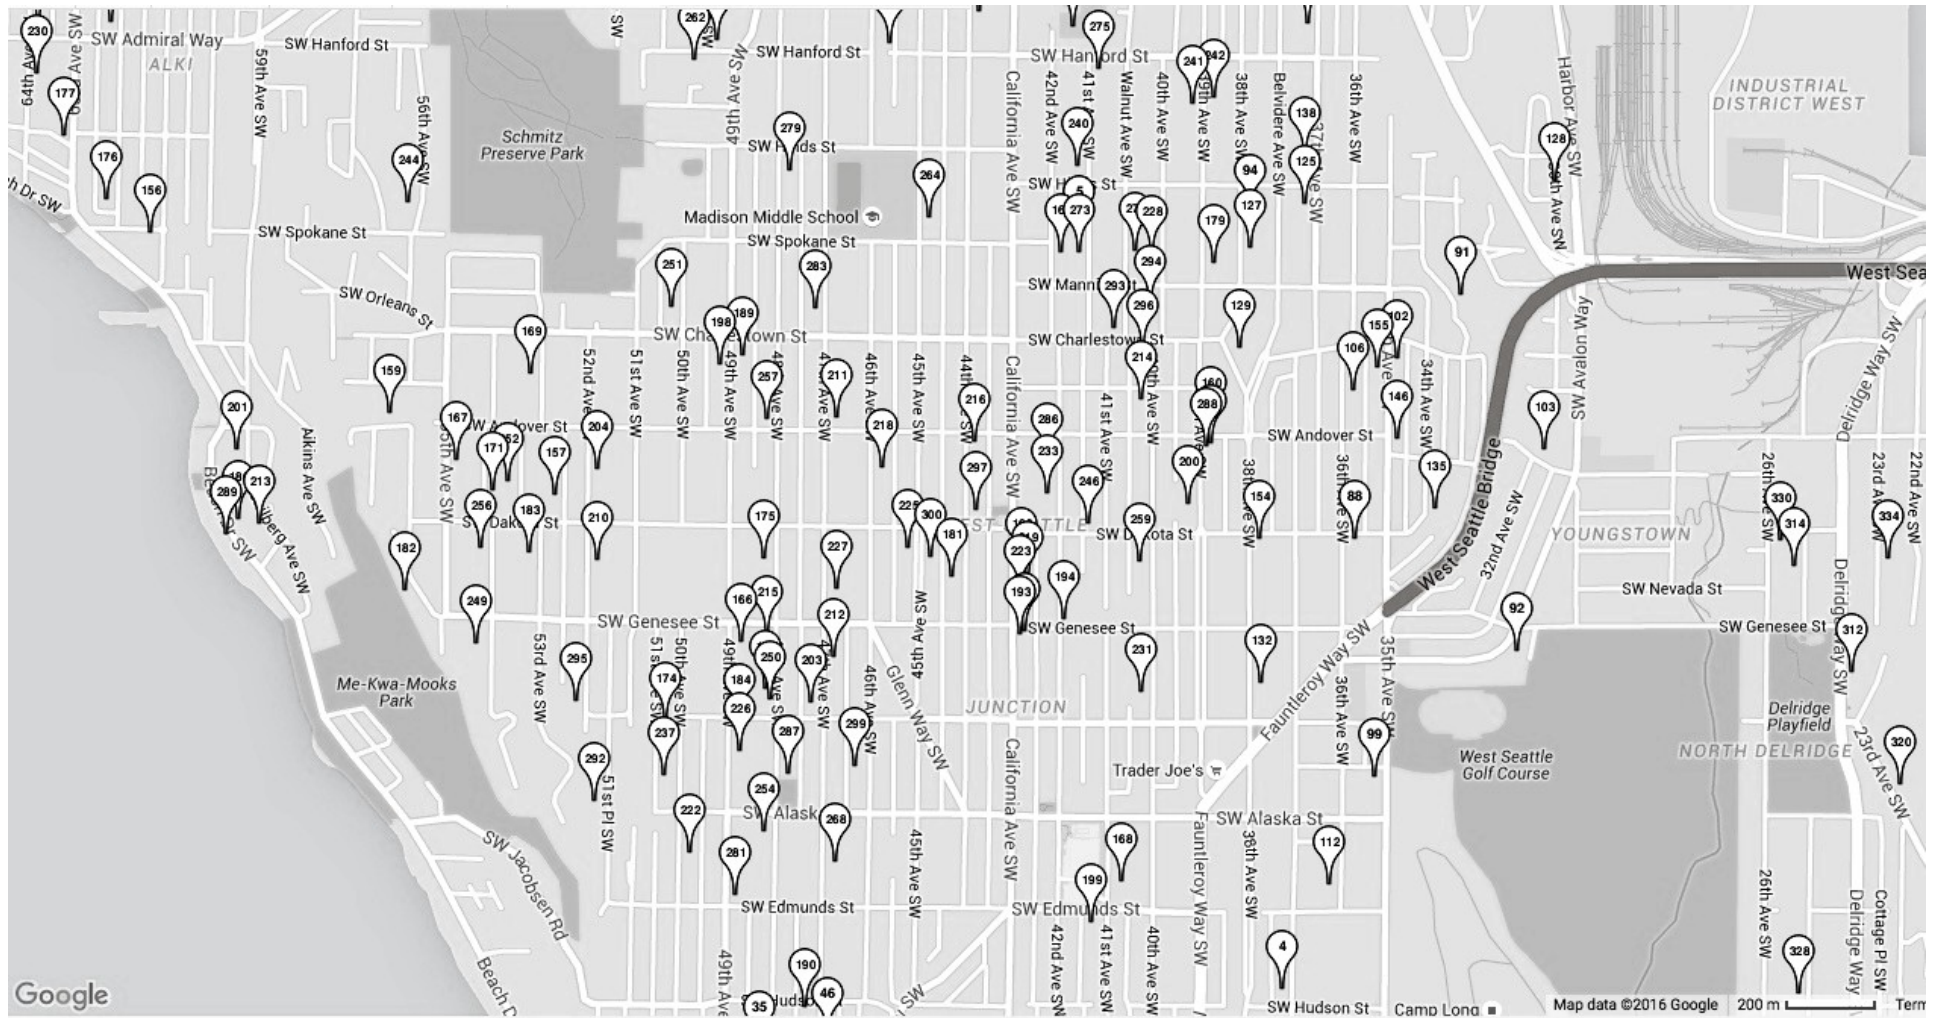

(see listings for exact addresses & sale descriptions) – some overlapping marker #'s (apologies, this is how they are rendered by the map software when sales are close together – please use the online version to zoom all the way in for separation; and please note, when we say “behind,” we are just referring to the markers on these map sections, one marker behind another, NOT to the physical locations of close-by sales). Also, please note that the software does not place markers exactly, so once you get to the street, the address is your guide.

OVERLAPS: Marker for Sale #229 is behind #196, marker for Sale #280 is behind #170, and markers for #s 197, 195, 248 are behind #158 and #180

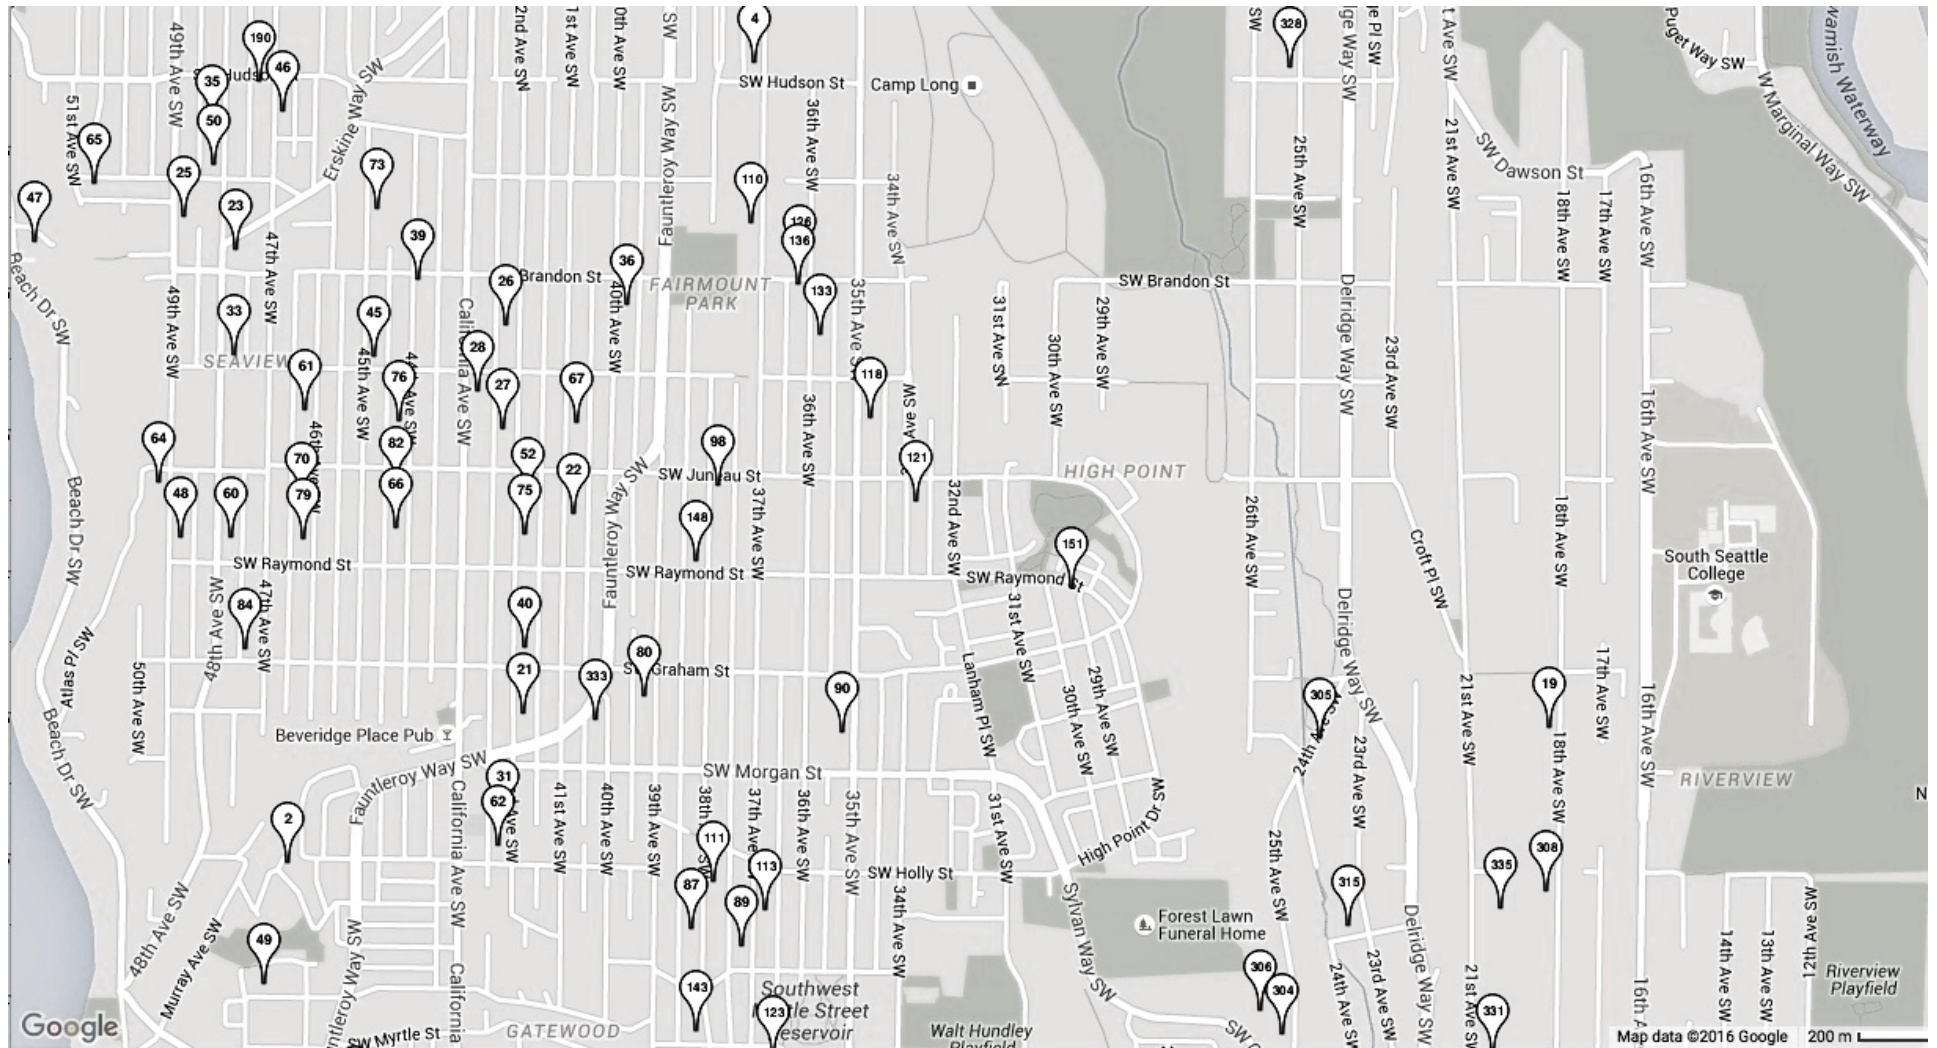

2nd MAP SECTION for West Seattle Community Garage Sale Day 2016, Hanford to Hudson
