

NOTICE OF CONSTRUCTION WORK

July 14, 2016

Emergency sewer repair beginning July 18

PROJECT DESCRIPTION

Seattle Public Utilities (SPU) will begin emergency repair work to a broken sewer line and roadway void in the 1600 block of Edgewood Ave SW. Homes and businesses will continue to receive normal utility service during construction.

SCHEDULE

Work is scheduled to begin July 18 and is anticipated to last one week, although unknown conditions and weather may extend the schedule. Work hours will be 7 a.m. to 5 p.m.

LOCATION

The repair located at 1614 Edgewood Ave SW in the West Seattle neighborhood. See map for specific repair location.

ANTICIPATED IMPACTS:

- Temporary lane and road closures may occur.
- Temporary restrictions to driveway access and street parking.
- Construction noise, dust, and vibrations.
- Pavement excavation and restoration.
