Why?

During the afternoon peak times on weekdays, ferry queues, through traffic, and on street parking are in conflict along the west side of Fauntleroy Way SW. To help manage that conflict, SDOT is implementing a change of the parking restriction along the ferry loading lane.

When and What's Next?

SDOT is preparing to install the parking restriction signs. Crews will remove the existing No-Parking signs and will be replacing them with an updated version within the next two weeks. Work will be going on along Fauntleroy Way SW from SW Fontanelle St to the ferry loading dock.

Weekday Parking Restriction Change

The current parking restriction along Fauntleroy Way SW prohibits vehicles from parking in the ferry loading lane from 3-7 PM on weekdays and 9 AM-3 PM on Saturdays, Sundays, and Holidays. The new parking restriction is 2 PM to 7 PM on weekdays, replacing the existing 3 PM to 7 PM restriction.
