

No child should sleep on the floor!

We need your help locating all the children in Western Washington that need these brand new beds the most. Our goal is to have 600 beds available to be donated on Saturday, September 30th. There will be pick-up locations in Seattle, Snohomish County, and Pierce County.

These beds are intended for kids that do not have one at all. Please submit referrals to us by September 8th to be at the top of the list, although our official deadline is September 22nd. Not all families are guaranteed a bed, but they will all be contacted in September.
