SW AVALON WAY & 35TH AVE SW

Paving, protected bike lanes, transit lane, spot parking removal

As soon as 2019, we plan to pave and install protected bike lanes on SW Avalon Way between SW Spokane St and Fauntleroy Way SW. We will also be paving 35th Ave SW between SW Avalon Way and SW Alaska St, and SW Alaska St between 35th Ave SW and 36th Ave SW.

Please join us to learn more and comment on the early design for this project.

SW AVALON WAY & 35TH AVE SW

Paving, protected bike lanes, transit lane, spot parking removal

Starting as soon as 2019, we'll pave SW Avalon Way and a segment of 35th Ave SW in West Seattle. Paving projects create opportunities to update street design, which can improve safety and move people and goods more efficiently in a growing Seattle.

This project will add protected bike lanes on SW Avalon Way to separate people biking from traffic and narrow the travel lanes to encourage slower and safer speeds.

The inbound transit lane on SW Avalon Way for RapidRide will be maintained on weekday mornings. Twelve parking spaces will be removed and 23 parking spaces will be restricted on weekday mornings for transit. See map for details.

Area paving locations

- SW Avalon Way: SW Spokane St to Fauntleroy Way SW
- 35th Ave SW: SW Alaska St to SW Avalon Way
- SW Alaska St: 36th Ave SW – 35th Ave SW

Please join us to learn more and comment on the early design for the project.

A partir de 2019, pavimentaremos SW Avalon Way y una parte de 35th Ave SW en el oeste de Seattle. Únase a nosotros para obtener más información sobre el diseño en una jornada de puertas abiertas que se realizará el martes, 5 de junio, de 5:30 a 7:30 p. m., en American Legion Post 160, en el oeste de Seattle (3618 SW Alaska St).

This project is funded by the 9-year Levy to Move Seattle, approved by voters in 2015. Learn more about the levy at www.seattle.gov/LevytoMoveSeattle.
