

CONSTRUCTION NOTICE

August 2018

New Stairway coming at SW Myrtle begins week of August 6th

PROJECT Update

Seattle Department of Transportation (SDOT) crews are constructing a new stairway at SW Myrtle between Sylvan Way SW and 25th Ave SW. The existing 50-foot long dirt path will be replaced with a new stairway that meets current standards.

PROJECT IMPROVEMENTS

As part of this project work:

- Contractor will be removing vegetation and grading work area.
- SDOT crews will then be forming new stairs and pathway and pouring and finishing concrete.

CONSTRUCTION SCHEDULE

Beginning as early as 8-8-18, contractor will begin preliminary work at the site. SDOT crew will then finish the project by the end of 2018. Stairway restoration is scheduled to take approximately 2-3 months and will reopen by December 2018.

WHAT TO EXPECT DURING CONSTRUCTION

- Typical work hours between 7 AM and 3:30 PM
- Noisy work activities including concrete breaking, saw cutting and backup alarms required for safety.
