

4TH AVENUE SW ROAD IMPROVEMENTS: ROAD CLOSURE & DETOUR HANDOUT

ROAD CLOSURE: APRIL 1ST TO MAY 3RD

Work Hours: 7AM – 5PM Monday to Friday; 9AM – 5PM Saturday

This spring, we'll be making improvements to 4th Avenue SW between 100th Street and Roxbury Street! The project focuses on improving pedestrian safety. To complete the project quickly and efficiently, there will be some road closures during construction that may affect your commute.

Project Description:

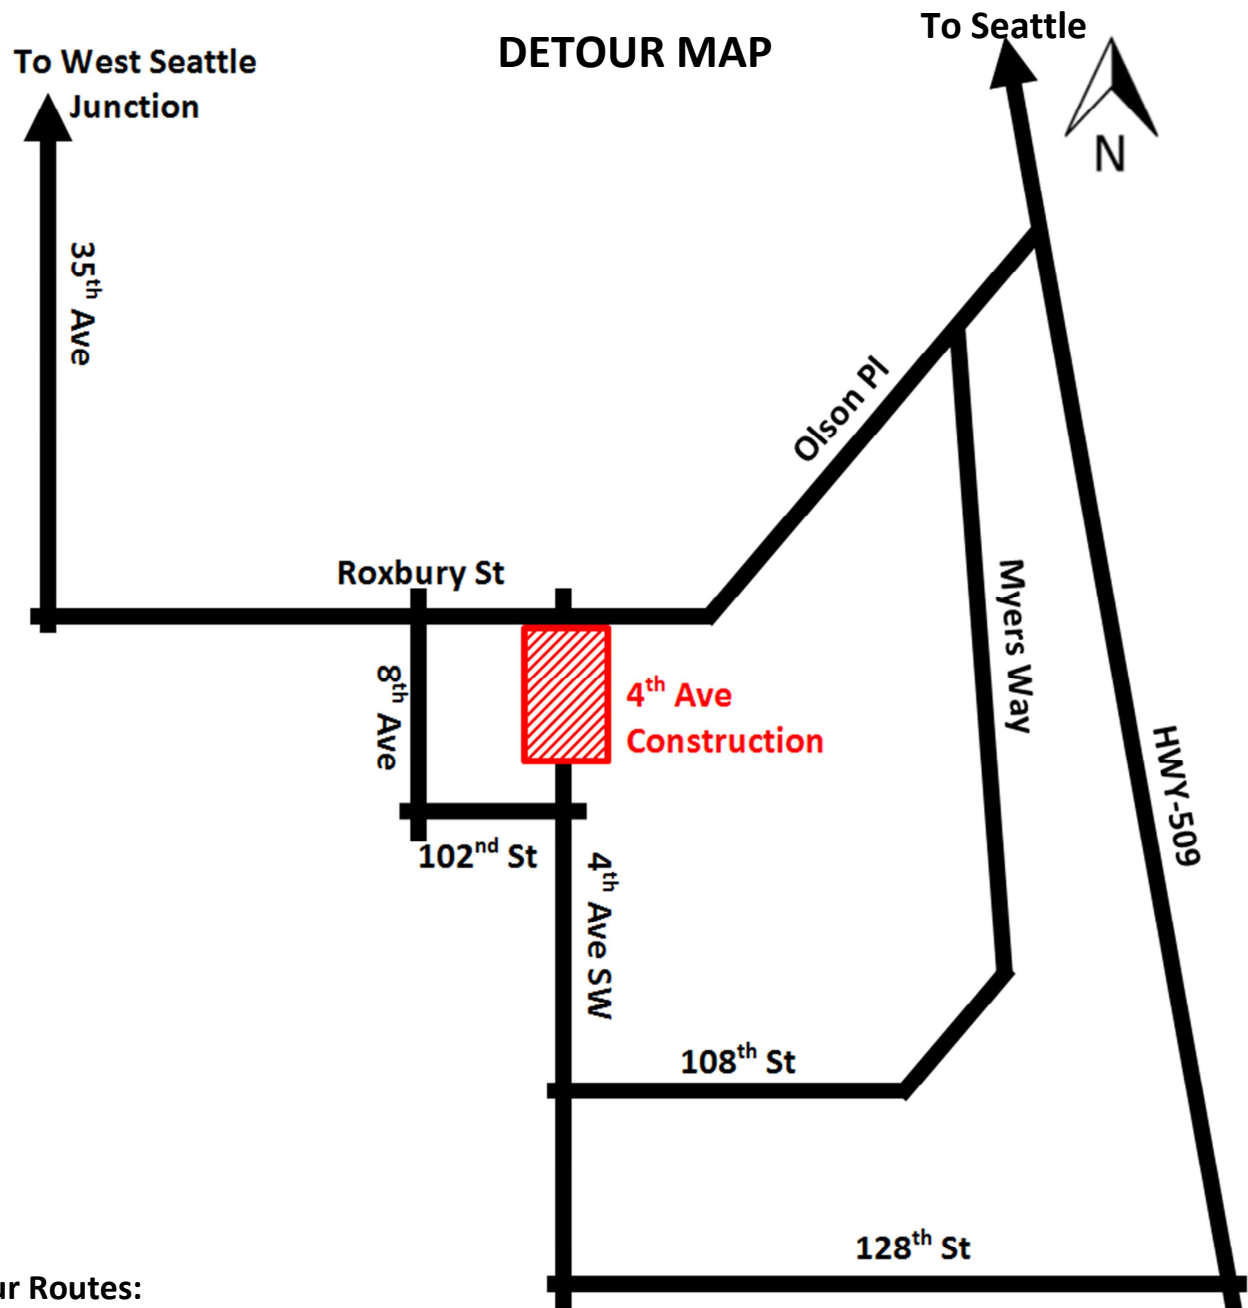

This road improvement of 1,300 feet of 4th Avenue SW in the Greenbridge Community of the White Center neighborhood includes surface water runoff water quality upgrades, storm water infrastructure, channelization, signage, traffic calming measures, improved pedestrian crossings, street paving, pedestrian lighting, and landscaping. The King County

Housing Authority is excited about this project to beautify the neighborhood and prepare for the last phase of the Greenbridge master planned community—a 100-acre sustainable site with parks, an elementary school, 80,000 square feet of commercial space, and 1,000 rental, town home, and single family residences.

This project will transform 4th Avenue to look a lot like 8th Avenue.
