

“White Coats 4 Black Lives” Demonstration

Friday, June 5th

10:00 AM

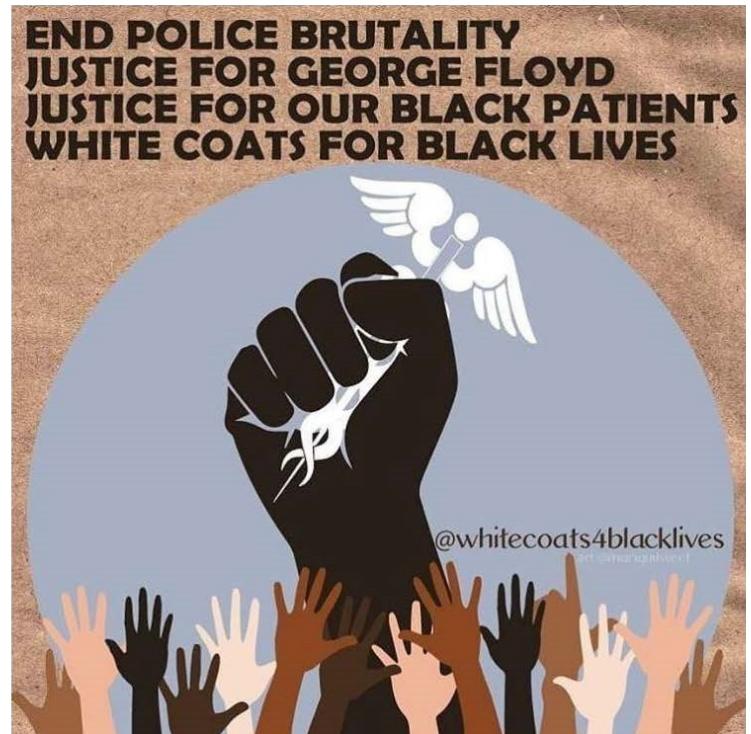

**Outside the East Entrance
& along 35th Ave.**

This Friday, The Mount will be joining many health care workers across the country who are participating in a “White Coats 4 Black Lives” demonstration.

Although we do not wear white coats at The Mount, all caregivers are invited to come outside at 10 a.m. in front of the East Entrance, and along 35th Ave. if you are able, and kneel for 10 minutes to raise awareness of racial inequality and police brutality.

Please maintain social distancing and wear your mask.

Caregivers are not obligated to participate. Please inform your supervisor if you plan to participate, to ensure there is proper staffing coverage.

**You are encouraged to take pictures and post on social media using
#WhiteCoats4BlackLives**
