Early Outreach for
Design Review
5 Story Apartment Building

About the Project

Blueprint Capital is working on the development of 4515 44th Ave SW in the West Seattle Junction. The project will include a new five story apartment building. Parking will not be provided. Planning has just begun and construction could start in late Spring 2022.

Share Your Thoughts

We want to hear from the community about this project. Please share your concerns and priorities for this new building by taking our online survey or contacting us directly. Information you share could be made public. Please do not share any personal or sensitive material.
