

West Seattle Art for Social Justice Black Lives Matter Mural

West Seattle Art for Social Justice is a collective of educators and local small business owners with an intent of elevating the voices of BIPOC & LGBTQIA BIPOC youth and adults through arts initiatives. Inspired by the many communities coming together to create art as a beacon for systemic change we are inspired & honored to be organizing the West Seattle Black Lives Matter mural at the West Seattle Junction. Artists from the greater Seattle community will be working together to create this important piece of art on July 26th with support of the West Seattle Junction Association and West Seattle Farmers Market. A special thanks to our crowd sourcing supporters that have made it possible for us to complete this work & to support our artists.
