

Join us for the South Seattle Co-op Preschool's 2021 Spring Virtual Music Funfest!

A series of 4 Saturday children's music virtual concerts with local children's musical artists:

3/20 10AM - Squirrel Butter - www.squirrelbutter.com

3/27 10AM - Bruce & Bonnie - www.wbandbonnie.com

4/10 10AM - Gabrielle Macrea - www.horsenecks.net

4/24 10AM - Eli Rosenblatt - www.elirosenblatt.us

The concerts are a fundraiser to support the SSC Cooperative Preschool PAC (Parent Advisory Council) Mary E Phillips Scholarship Fund (MEPS Fund).

Every year the PAC sponsors fundraising events to support the MEPS Fund, which covers preschool and parent education tuition costs for families in need of financial support. In normal times, PAC allocates around \$10,000 a year to families in need.

Due to the COVID 19 pandemic, scholarship needs this year have grown almost 50%. At the same time, traditional fundraising events are not an option.

The Virtual Music Funfest is the solution! All concerts are free and open to the community. All we ask is, if you are able, please click the donation button to support the musicians and the MEPS Fund. No amount is too small and, of course, no amount is too high.

Looking forward to clapping hands, tapping feet and singing along together as we raise scholarship money to support families in need through our virtual concert series.

Concerts will be presented through Zoom.
