

RapidRide H Line

October 25, 2021

Notice of upcoming construction

Starting as soon as November 1, crews will set up traffic control to begin construction at the 26th Avenue SW and SW Roxbury Street intersection. Work will include demolishing the existing pavement, installing underground utilities, paving the roadway, and making improvements that will serve current Routes 113 and 120, and the future RapidRide H Line. This work is expected to last through mid-December.

During this work:

- The right northbound lane of 26th Avenue SW (south of SW Roxbury St) and the right eastbound lane of SW Roxbury Street (east of 27th Ave SW and west of 25th Ave SW) will be closed.
 - Sidewalk closures will be in place
 - Access to driveways and businesses will be maintained
 - Detours will be in place for people walking and rolling
 - This work will impact Metro Routes 113 and 120.
- Please visit Metro's Service Advisories page for more information:

Project background

King County Metro, in partnership with Seattle Department of Transportation and the City of Burien, is upgrading Metro Bus Route 120 to RapidRide H Line. Construction began in June 2021 and will be ongoing into 2022. Starting in 2022, RapidRide H Line will connect Burien and White Center to Downtown Seattle/South Lake Union through the Delridge neighborhood. This new RapidRide H Line route will improve travel times, reliability, and connections to other buses and Link light rail.
