

October 31, 2022 | SW KENYON ST EMERGENCY WATER MAIN REPAIR

DESCRIPTION

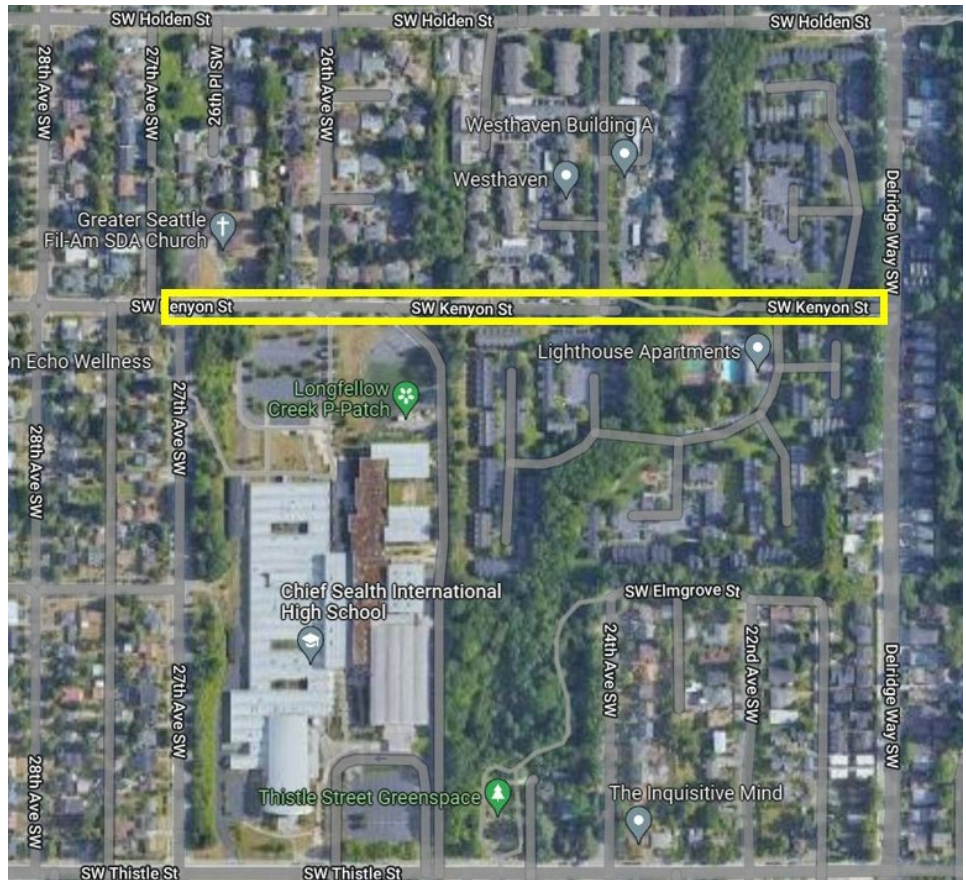

A contractor for Seattle Public Utilities (SPU) will begin emergency work to repair a damaged water main on SW Kenyon St between 27th Ave SW and Delridge Way SW.

SCHEDULE

Work is scheduled to begin as early as Monday, November 7th. Anticipated work hours are Monday – Friday, 7 am to 7 pm. Work is anticipated to take 6 weeks, including mobilization and demobilization.

LOCATION

View the yellow outline on the map for approximate work area. All work will be completed in the right-of-way.

ANTICIPATED IMPACTS

During the work you can expect:

- Temporary impacts during daytime hours to travel lanes on SW Kenyon St; a flagger will be on-site to direct traffic as needed
- Closed sidewalk and pedestrian detours in the construction area
- Equipment and materials staged in the right-of-way
- Construction traffic, noise, dust, and vibrations
- Parking restrictions in the work area
