COMMUNITY OUTREACH

Phone Snatching

CRIME TIPS

- **Be aware** of your surroundings.
- It is good to have a phone in case of emergencies but **don't be distracted** on it in public.
- **Put your phone away** in a bag or securely in your pocket.
- **Show confidence** and trust your instincts.
- **Don't use headphones at full volume** or have one ear covered to avoid cutting off your hearing.
- **Property can be replaced, you cannot.** Don't put yourself in danger to protect replaceable items.

REPORT TO 911

- If you **see something- say something**.
- **Call 911 immediately** to report a crime or suspicious behavior.
- If you need **translation services**, call 911 and ask for the language you need.
